ABOUT BRIDGE INDIA - A NEW PLATFORM, FOCUSED ON INDIA

BROAD AND OPEN-MINDED DEBATE, FOCUSED ON ASIA-WATCHERS AND THE DIASPORA.

Bridge Asia is a progressive non-profit think tank dedicated to discourse on public policy.

India represents an ancient civilisation, united by a shared history and sustained by a pluralist democracy.

The 'India Story' abroad is often presented through a narrow lens, be it focusing only on business and the economy, society or policy landscape. Given its diversity, everything about India, and its polar opposite, is true in unison. Bridge India seeks to highlight and celebrate this nuance, to help India-watchers understand India better.

Bridge India is a registered with the Charities Commission in England & Wales, with charity number 1183696.
